

Dear Valued Customers,

As you may already know, the Provincial Health Officer Dr. Bonnie Henry declared a public health emergency in British Columbia on March 17, 2020. Aberdeen Centre is taking further steps to protect our customers, tenants and employees.

Effective Wednesday, March 18, 2020, our shopping hours will be adjusted to the following,

**Monday to Saturday 11:00 a.m. – 7:00 p.m.**

**Sunday 11:00 a.m. – 6:00 p.m.**

These new hours will be in effect for 2 weeks from March 18-31, 2020, subject to evaluation. Retailers and restaurants will have the option to operate outside of these hours. If you are planning on visiting specific restaurants or merchants, please ensure you give them a call first prior to coming in.

In a further effort to combat the spread of Covid-19, the food court seating area will be temporarily closed to the public. Customers are still welcome to order take-outs from the food court merchants.

Although access to the shopping mall remains unchanged, Aberdeen Centre is suspending all promotional events and community programs scheduled for March and April.

We believe that this approach will continue to meet the needs of the customers but at the same time protecting the health of the general public.

If you are showing symptoms associated with COVID-19 please do not visit and self-isolate at home to protect others in the community.

Thank you for your cooperation and understanding.
